FOR IMMEDIATE RELEASE

We started fundraising in memory of Anna last year in order to allow local artists and arts practitioners funding to continue the work Anna did with the community. We initially set a goal of £5000 but were blown away when we more than doubled our target. Support poured in from local businesses and individuals showing how important, not only Anna was, but also the work she was undertaking.

We are now in the position to open applications for The Anna Evans Community Arts Grant to any local artists and arts practitioners, with projects in mind between May 2021 and March 2022 that are focussed on engaging and involving the of Ceredigion community in any field of the arts up to the amount of £3000.

Application forms as well as the criteria which we will use to evaluate the applications can be downloaded from our website www.annacelf.co.uk

Any questions regarding the grant can be directed to contact@annacelf.co.uk
